

Church Planting Opportunity in Milton, Ontario

Eager to invest in planting a Christ-centered missional community in one of Canada's fastest growing cities? Do you have a heart for working with others – other churches, other organizations? Has God shaped you as a visionary leader, given you an entrepreneurial orientation, a multi-ethnic impulse, and a deep joy in leading people to Christ? We are looking for two bi-vocational 'planters' who will work together as a team. Contact Peter at preitsma@amstier.com.
